

DO MORE WITH YOUR SUMMER!
BECOME A COUNSELOR-IN-TRAINING AT KAMP KONOCTI!

Serving as a CIT is one of the best jobs you'll ever have, and the Kamp Konocti Counselor-in-Training program is an important step toward that exciting path.

The CIT program at Kamp Konocti is for girls in grades 9-12 who want to improve their leadership skills. CIT's will have the opportunity to teach and mentor younger campers with guidance from camp staff. The CIT program prepares older girls to become future camp counselors and develop life skills that will be used beyond the summer camp experience.

Participants will live in an Adirondack/cabin group with other CIT campers. These young women will spend their days teaching younger campers at various badge programs and free choice activities, leading songs and skits, and being a good role model for younger campers.

What do we look for in our CIT's? CIT's are friendly, reliable, responsible, creative, patient, supportive, respectful, dedicated, committed, understanding, caring, fun, upbeat, and must have initiative, enthusiasm, a positive attitude, maturity, sensitivity, and put safety first.

Kamp runs for 1 week every July held at Camp Tamarancho in Marin County.
